

FOR IMMEDIATE RELEASE - OCTOBER 9, 2025

Aambé Health Announced as Platinum Sponsor for 2026 Reservation Economic Summit (RES)

*Aambé™ is proud to announce its role as a **Platinum Sponsor for the 2026 Reservation Economic Summit (RES)**, hosted by the **National Center for American Indian Enterprise Development (NCAIED)** – <https://res.ncaied.org>. This sponsorship underscores Aambé's mission to advance sovereignty, opportunity, and economic growth for Native Nations nationwide.*

"We are thrilled that Aambe is a platinum sponsor of RES 2026," said Chris James, President and CEO of The National Center. "We look forward to showcasing Aambe's approach to bringing high-quality healthcare to tribal communities and reducing disparities in health outcomes. Please join them and thousands of others in Las Vegas in March!"

Aambé™ represents a call to action, rooted in our Anishinaabe language translated to: **"Let's Go!"**

Aambé's Mission: *To advance Tribal economic development while pursuing health, educational, and cultural initiatives, improving the lives of Indigenous people and the surrounding communities they call home.*

Aambé Health – <https://www.AambeHealth.com> – is leading the effort to build a national healthcare system, one Tribe at a time, ensuring access to high-quality, culturally grounded care for both Native and non-Native citizens across the country. By developing Tribal clinics, specialty services, and pharmacy networks, Aambé Health is addressing healthcare disparities while driving long-term sustainability.

Aambé expands its impact through several key divisions:

- **Aambé Asset Group** empowers Tribes to build ownership in real estate and infrastructure.
- **NativeFirst Capital** – <https://www.NativeFirstCapital.com> – provides Tribes with access to private equity, financial tools, and investment vehicles designed to grow intergenerational wealth and expand economic sovereignty.
- **Hawk Building Solutions** – <https://www.HawkBuildingSolutions.com> – specializes in building and modernizing clinics, healthcare facilities, and economic development projects that directly support Tribal and community needs across the United States.

"Aambé is more than just a company, it's a movement," said Ron Spoerl, Founder and CEO of Aambé. "We are exploring every opportunity to help strengthen our Tribal Nations and the communities around us. We believe that when we do this, we build stronger Tribes, we strengthen our leaders, increase economic development, protect our data sovereignty, and together we open new opportunities that plan for the next 7 generations."

Sponsoring RES 2026 is our way of saying, 'Let's Go!' let's build the future together." Aambé!
